F#m G
Your fire burns through me

CHORUS:

Bm G
There's a fire in my soul

There's a burning in my heart

From the love that You gave, of the Love that You are

VERSE 2:

Bm G D
Your face is like a flame burning bright
Bm G D
Your Spirit like lightning flashing through the night
Bm G D
Bringing all that's in the dark into light

When I set my eyes on You
F#m G
Your fire burns through me

BRIDGE:

Bm G
Set a fire in my heart that burns brighter in the dark

Until all the world will know that irreplaceable fragrance
