

# EMMANUEL (MY GOD IS HERE)

Cheyenne Cleveland

## VERSE 1:

Bb Eb Gm Eb  
Come, Emmanuel  
Bb Eb Gm Eb  
It's the song that I've sung in hopes that Your Spirit be felt  
Bb Eb Gm Eb  
But, here, now is God with us  
Bb Eb Gm Eb  
So I'll stop begging for You to be near and just be held

## PRE-CHORUS:

Eb Gm  
Since before the first day that You created  
Eb F  
There is no beginning or end to Your presence

## CHORUS:

Bb F  
Emmanuel, God with us  
Gm F Eb  
He will never leave us, nor forsake us  
Bb F  
Emmanuel, my God is here  
Gm F Eb  
He has wiped away all worries and all fears  
Bb F  
And I'm not alone, I'm not alone  
Bb  
My God is here

## VERSE 2:

Now, the veil is torn  
Nothing can separate us from the Love that's been born  
Father, Spirit, Son  
You comfort all who are weak and all who mourn

## BRIDGE:

Gm F  
Loneliness is a lie in Your presence  
Cm Eb F  
Hopelessness can't exist in Your presence  
Gm F  
I want to live aware of Your presence  
Bb F  
You are here, I'm never alone
